INTRODUCTION

I am a dedicated and enthusiastic individual with a strong passion for web development, seeking to establish a rewarding career as a Front-End Developer. My goal is to leverage my technical skills and creativity to contribute effectively to the growth and success of an organization

EXPERIENCE

Training **20-7-2023 to 20-11-2023**
UnCodemy **Noida, UP**

- I have completed my training at Uncodemy, where I am actively engaged in expanding my expertise in ReactJS. My foundational skills encompass HTML, CSS, Bootstrap, and JavaScript, which serve as a strong basis for my current learning journey."

Internship **05-12-2023 to 05-06-2023**
GV Cloud Secure **Noida, UP**

Profile: Jr Frontend Developer

- I have worked as a Junior Frontend Developer at GV Cloud Secure for 6 months. During my time, I worked on several projects where I developed and maintained the front-end functionality of web applications.

SKILLS

Technical : HTML, CSS, Bootstrap, JavaScript, ReactJs, DOM, ES6 etc.

Tools : Git/Github, VS Code, Shopify, etc.

PROJECTS

Portfolio | *VISIT* **2023**

Tech used : HTML, CSS, JavaScript, Bootstrap etc.

- "I have created this platform to showcase my work and tell you a little more about myself. HTML, CSS, BOOTSTRAP and JAVASCRIPT languages used"

E-commerce Website Project | *Visit E-commerce Website* **2024**

Tech used : ReactJS, Java Script, Bootstrap, CSS, HTML etc.

- "I have developed a frontend clone of a shopping eCommerce website using ReactJS. This project incorporates routing, components, props, and hooks, enabling seamless navigation and efficient data management. I found the development of this project immensely satisfying, as it has significantly enhanced my skills. I believe that this endeavor has equip."

Amezon Shopping App **2024**

Tech used : ReactJS, JavaScript, HTML, CSS, Bootstrap etc.

- This project represents a professional and skillful execution of a ReactJS-based Amazon shopping app. The emphasis on clean code organization, efficient routing, state management with hooks, and the strategic use of props underscores my commitment to delivering high-quality and scalable front-end solutions. This project has not only enriched my technical capabilities but also showcases my dedication to best practices in modern web development.
